LT Studio, BATH

Jan 2010 - current

Director

- Project - Borough High Street, UK
Client - Kings College London
Key Consultants - LTS Architects
Details - LT Studio is working with LTS Architects on the redevelopment of a site to provide a new hotel and retail units at Borough High Street. Our proposals reinforce the historical context of the local area and reflect the historic character and urban grain of the yards.
- Project - Torquay Waterfront, Torquay, UK
Client - Nicolas James Group
Key Consultants - Kay Elliott Architects, Arup Engineers
Details - Landscape design and urban realm consultant for a harbour fronting hotel development including the Grade II* listed Pavilion building in the heart of Torquay. Currently developing design proposals in preparation for planning application.
- Project - Oldway Mansion, Paignton, UK
Client - Akkeron/Kier
Key Consultants - Kay Elliott Architects
Details - To develop the landscape design for a luxury hotel and residential development. As one of Torbay's prime heritage buildings, the landscape for Oldway Mansion has been sensitively designed to provide public recreation facilities which will complement the built form and the existing formal landscape design.
